

Citizens' Council for Health Freedom

Health Freedom Minute

July 11, 2018

RELEASED TODAY: “Big Brother in the Exam Room”

Today is the day. My book “***Big Brother in the Exam Room***” is now available on Amazon. To order it, go to BigBrotherintheExamRoom.com. Ed Morrissey from HotAir.com calls it an “eye-popping exposé.” Dan Bongino, a *Fox News Insider*, says it’s a “must-read account” and “essential reading.”

Dean Clancy, a former White House health policy advisor, says it reads like a “real-life version of *Nineteen Eighty-Four*.” And the associate editor for *The Hill*, says it lays out a “compelling case” that electronic health records have been “surreptitiously imposed.” Buy it today at <http://bit.ly/BigBrotherExamRoom>

Presented daily by Twila Brase, President, Citizens' Council for Health Freedom.

*The Health Freedom Minute is now heard in 47 states:
Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH,
afternoons on American Family Radio, and daily on the CSN network
and Bott Radio Network.*
