## Congress Has Beltway Blinders

Republicans in Congress are driving the health care system into the ground. They've never tried to repeal the Affordable Care Act and unbelievably, they're planning to stabilize the law, not dismantle it. Their beltway blinders are on so tight they have no idea how to restore affordability and freedom—or maybe they don't want to.

Unlike Congress, Americans can't raise their personal debt ceiling by stealing from neighbors to pay skyrocketing premiums. There are only two choices: freedom or socialized medicine.

We launched ***The WEDGE of Health Freedom®*** to free patients and doctors from the unfolding tragedy. Go to [JointheWedge.com](http://JointheWedge.com) and bring your doctors with you. Congress won't give us freedom. We have to do it ourselves. [JointheWedge.com](http://JointheWedge.com)
