## **Tell Senate to Repeal ALL Obamacare Taxes**

This week I am in Washington, D.C. with my staff. I've been invited to give a presentation, plus we'll be meeting with at least 21 Congressional offices. Much is at stake. The House bill does not repeal Obamacare and keeps the federal government in charge, but repeals most Obamacare taxes.

Meanwhile, it's rumored that the Senate plans to delay or not repeal some of the Obamacare taxes. Thus, we have signed a letter with 46 other groups and activists calling on the Senate to repeal all \$1 trillion in taxes. The taxes are the engine of Obamacare. If they are eliminated, Obamacare could be 'functionally' repealed even though the law remains in place. Tell your Senator to repeal all Obamacare taxes.
