## **Showcasing Free-Market Medicine in Action on Sept. 27**

August 8, 2018

Dr. Keith Smith is the keynote speaker for our annual dinner on September 27. This pioneer in free-market medicine is the nationally-recognized co-founder, CEO and medical director of the cash-based Surgery Center of Oklahoma, an extraordinary example of just how affordable medical care is when it's cash, check or charge.

People come from all over the country, some bringing zip lock bags of cash. It's an affordable place focused on patients, simplicity and confidentiality, just like Wedge practices found at [JointheWedge.com](http://JointheWedge.com). Join us on Thursday, September 27. Register today at [cchfreedom.org](http://cchfreedom.org).
