The Wedge Is a Joint Effort

Happy Wedge of Freedom Wednesday! Over the past week we've heard from people in Texas, Ohio, Virginia, Idaho, Iowa, Minnesota, Pennsylvania, Arizona, Arkansas, Alabama and more. People are looking for a Wedge doctor near them. We'd like to add hundreds of more practices to the Wedge.

We know there *are* hundreds more already operating, but they don't know about The Wedge and so we can't direct patients to them. Some doctors tell us they found out about The Wedge from patients, so if you know a cash-based practice, invite them to join. And then tell us and we'll follow up with a phone call to their office. This is a joint effort. You can help us restore American healthcare back to freedom!
