Health Freedom Minute

October 9, 2017

Last Day for Early Registration

Can we bypass Congress and shut down the Affordable Care Act? The ACA is un-American. It's unconstitutional, it unfriendly to patients and doctors. It unaffordable. There's nothing good and everything bad...unless you're a health plan. The plans are socialized medicine under corporate cover so they love the ACA. Its socialized system is siphoning billions of dollars from our pockets to the plans in various redistribution schemes.

On Tuesday, October 24 I'll talk about bypassing Congress to bring health freedom back to America. Join us at our annual event for a fun evening in Minneapolis with Fox News contributor Pete Hegseth. Today is the last day for early registration. Just go to cchfreedom.org.
