Ask These Five Questions

Asking questions is a powerful tool. So, don't let any supportive comment about single-payer or Medicare-for-All go unanswered. Challenge it by asking candidates and others these five questions:

1. What's the cost and how much will it cost me as a taxpayer?
2. Who will be prioritized for care if dollars are limited?
3. Who decides what care is and isn't available?
4. How will patients and doctors be able to opt out of the government program?
5. If *your* care is denied, where will *you* go to get the care you need?

Press for precise answers. Let them squirm if necessary. Find these questions at CCHFREEDOM.ORG.

Presented daily by Twila Brase, President, Citizens' Council for Health Freedom.
