Health Freedom Minute

November 6, 2018

VOTE, VOTE, VOTE!

This day should not end until you've stepped into a voting booth. Most states require your employer to let you take time off to vote. Please know that your vote counts. Several elections have been won by only one vote.

There is much at stake. Who do you want freedom or socialism? Do you want single-payer "Medicare for all"? Do you want the Obamacare mandate and penalty to return? Do you want taxpayers to pay for illegal immigrants? Do you want your state's budget consumed by the expansion of Medicaid? Do you want people who love or hate America in power? Take your children, take a bus, but whatever you do, VOTE. Protect freedom. Protect America. Go out and VOTE.
