20,000 Reasons to Give to CCHF Before Midnight Nov. 16

One woman told me she wants health care to be simple. Our organization, Citizens' Council for Health Freedom, has a simple plan that makes health care affordable no matter what happens to Obamacare. It's called The Wedge. If you want simplicity, affordability and freedom in health care, send us a gift by going to cchfreedom.org.

We really need your support. We have a \$20,000 matching challenge gift that disappears at midnight on Thursday. Every dollar you give gets matched for just four more days. Support this national radio program which gives you insights you get nowhere else and our work to repeal Obamacare, protect privacy and expand The Wedge. Join us by going to cchfreedom.org and clicking DONATE.
