Undoing Obamacare at SCOTUS

Please get a pencil ready. The Obamacare individual mandate is the focus of the 26-state lawsuit soon to be heard by the U.S. Supreme Court. The mandate requires all citizens to buy government-approved health insurance by 2014.

Our organization plans to file a targeted, hard-hitting Amicus Brief with the Supreme Court specifically on why the individual mandate is unconstitutional.

To donate to helping us with filing this critical brief, please go to www.cchfreedom.org and click on the Donate Today button. You'll see there's a supremely special offer for all donations of one hundred dollars or more.
