Health Freedom Minute

Who's Angry? Who's Calling?

Next week, Congress is back in session and the fight to repeal Obamacare continues. Expect a new bill or new amendments to the old one. Many members of Congress have refused to hold town hall meetings during their Easter break to avoid angry crowds. So, who's angry? Those that want Obamacare repealed or those that don't...or both?

I've heard from Congressional staffers that people who support keeping Obamacare in law are calling members by the hundreds, but calls from people supporting repeal are few. Make the call today. They need your support for repeal. Encourage your members of Congress by calling -- and by using Facebook and Twitter. What you say and write will make a big difference in the final outcome and whether we keep Obamacare or repeal it.
