GOP Rep. Steve Gottwalt's Obamacare Bill

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens' Council for Health Freedom.

The head of the state health policy committee plans to implement Obamacare in Minnesota. Rep. Steve Gottwalt, a Republican from St. Cloud, plans to build the Health Insurance Exchange, the "command and control" infrastructure of Obamacare.

The hearing and vote on Gottwalt's bill are scheduled for this Wednesday, February 16 at 2:30 p.m.

The bill mentions Obamacare - 'the Affordable Care Act' - 38 times. It mentions the U.S. 'Secretary' of Health and Human Services 20 times. The IRS six times. The Exchange will be intrusive. The bill mentions 'data' 21 times.

Why isn't Rep. Steve Gottwalt, a Republican, doing all he can to stop the government takeover of health care? Why is he planning to help the liberals? Maybe you should ask Mr. Gottwalt.
