Citizens’ Council for Health Freedom presents

AN EVENING TO SUPPORT HEALTH FREEDOM

FEATURING

JONATHAN EMORD is the author of The Rise of Tyranny and a columnist at USA Today Magazine. Mr. Emord, a dynamic constitutional attorney from Virginia, has been called a “hero of the health freedom revolution.” He will outline how Congress has handed over the nation’s governing power to a corrupt bureaucracy and provide a timely plan to restore Constitutional governance to America. He has sued and defeated the Food and Drug Administration a remarkable seven times in federal court. He has served as an attorney in the Federal Communications Commission under the Reagan administration and as a Vice President of the Cato Institute. Mr. Emord has authored three books and is host of “Health, Law, and Politics” on the Talk Star Radio Network. Join us at this very exciting event!
