<td>20-15-1202. Statewide childhood immunization registry. (a) (1) The Department of Health shall establish a statewide immunization registry. (2) Immunization records shall include data as specified by the department. (b) The department may make information regarding the immunization status of children in the registry available to the parents or guardians of a child, to providers who report on the immunization status of children in their care, and to such other persons or organizations designated by rule or regulation of the State Board of Health. (c) The board shall adopt rules to implement this subchapter, including provisions for confidentiality of medical information.</td>
