| CA    | STATUTE: Health & Safety Code Division 105, Part 2, Chapter 2.5 | DISCLOSURE OF IMMUNIZATION STATUS. Section 120440. ...(c) ...unless a refusal to permit record sharing is made pursuant to subdivision (e), health care providers, and other agencies, including, but not limited to, schools, child care facilities, service providers for the California Special Supplemental Food Program for Women, Infants, and Children (WIC), health care plans, foster care agencies, and county welfare departments, may disclose the information set forth in paragraphs (1) to (9), inclusive, from the patient's medical record, or the client's record, to local health departments operating countywide or regional | Section 120440. ...(e) A patient or a patient's parent or guardian may refuse to permit record sharing. The health care provider administering immunization and any other agency possessing any patient or client information listed in subdivision (c), if planning to provide patient or client information to an immunization system, as described in subdivision (b), shall inform the patient or client, or the parent or guardian of the patient or client, of the following:… 

...(4) The patient or client, or the parent or | Section 120440. ...(l) Subject to any other provisions of state and federal law or regulation that limit the disclosure of health information and protect the privacy and confidentiality of personal information, local health departments and the State Department of Health Services may share the information listed in subdivision (c) with a state, local health departments, health care providers, immunization information systems, | NO | YES – but state health dept. will continue to have access. (Sec. 120440 (e)(4) |
immunization information and reminder systems and the State Department of Health Services. [emphasis added]

The following information shall be subject to this subdivision:

1. The name of the patient or client and names of the parents or guardians of the patient or client.
2. Date of birth of the patient or client.
3. Types and dates of immunizations received by the patient or client.
4. Manufacturer and lot number for each immunization received.
5. Adverse reaction to immunizations received.
6. Other nonmedical information necessary to establish the patient's or client's unique identity and record.
7. Current address and telephone number of the patient or client and the parents or any representative of an entity designated by federal or state law or regulation to receive this information. The State Department of Health Services may enter into written agreements to exchange confidential immunization information with other states for the purposes of patient care, protecting the public health, entrance into school, child care and other institutions requiring immunization prior to entry, and the other purposes described in subdivision (d). The written agreement shall provide that the state that receives the information shall provide that the state that receives
