30 Pieces of Silver

Welcome to the Health Freedom Minute. This is Twila Brase, president of Citizens’ Council for Health Freedom.

I discovered a choice tidbit of information in the Wall Street Journal, in an article called “Catholic Hospitals vs. the Bishops.”

Apparently hospitals run by Catholic administrators have increasingly decided to support abortion and contraception. These administrators now shop for theologians that say these practices are not in conflict with Catholic teaching.

Such theologians joined Sister Keehan, head of the Catholic Health Association, to support Obamacare even if the bill did not contain provisions to support life.

Here’s the tidbit. President Obama was apparently so grateful for her “help in shepherding the bill through Congress that he awarded her one of the 20 pens” he used to sign Obamacare into law.

Sounds like 30 pieces of silver to me.
