CCHF Sends Letter to 50 Governors

The feds want the States to commit to an Obamacare exchange by this Friday, November 16. They want governors to choose between a state-funded exchange, a state and federal partnership exchange or an HHS-run federal exchange. They want your governor to comply or commit to cooperate with one of them.

Our organization, Citizens’ Council for Health Freedom, sent certified letters to every Governor requesting that they refuse to comply or commit. Many got them the letter a week ago. Kansas and Virginia have already refused. To stop Obamacare, please contact your governor with the same request using the contact list on our website. Go to stophealthinsuranceexchange.org.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 37 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
