| NV    | STATUTE: Title 40, Chapter 439 | NRS 439.265 Immunization Information System: Establishment and administration; duty to report information concerning immunization administered to child; contents and form of report; parent or guardian to be provided information concerning System; parent or guardian may decline inclusion of information in System; disclosure of information; regulations.  
   1. The Department shall establish an Immunization Information System to collect information concerning the immunization of children in this State. The Immunization Information System must be administered by the State | 439.265. …4. The State Board of Health shall establish the form for reporting information to the Department for inclusion in the Immunization Information System and the form which the person administering the immunization must provide to the parent or guardian of the child receiving the immunization. The form provided to the parent or guardian must inform the parent or | “At the end of 2009, the Nevada State Board of Health adopted an amendment to the original regulations (R094-09) that made Nevada WebIZ a fully “opt-out” registry 7. As a result, all vaccinations administered to children and adults were mandated to be recorded into Nevada WebIZ. This became effective January 28, 2010. Adults and parents/guardians still have the option to “opt-out” of the immunization registry if they do not want themselves or their child/children to participate.” – “Nevada State Immunization Program Legislative Briefing,” Nevada State Immunization Program, Department of HHS, March 2011 | NO | YES |
| Board of Health. | R041-08.  
Sec. 8. A provider administering an immunization to an adult shall provide notice about the System to the adult on a form provided by the Health Division. …  
(a) A description of the System;  
(b) A description of the information concerning the adult which will be reported by the provider for inclusion] in the System, including, without limitation, the immunization record of the adult and the information set forth in section 11 of LCB File No. R041-08; and  
(c) The procedure for an adult to decline inclusion of his or her information in the System.  
2. The notice required by subsection 1 must be provided upon the initial visit of an guardian about the Immunization Information System and must allow the parent or guardian to decline inclusion of the information concerning his child in the System.  
| 439.265. …2. Except as otherwise provided in subsection 4, a person who administers any immunization to a child which is recommended and approved by the United States Public Health Service Advisory Committee on Immunization Practices, or its successor organization, on or after July 1, 2009, shall report information concerning the child and the immunization provided to the child to the Department for inclusion in the Immunization Information System. The information reported must include, without limitation:  
(a) The immunization provided to the child;  
(b) The name of the child;  
(c) Demographic information concerning the child, including, without limitation, the age, gender and race of the child; and  
(d) Any other information required by regulation of the State Board of Health…  
3. A person who reports |
