## Thank These Democrats

As we wait until May 11 for the national Covid-19 pandemic emergencies to be lifted, some Democrats are voting to end Covid restrictions. On February 1, eleven House Democrats voted with Republicans to immediately end the national emergency due to Covid.

Those Democrats are Angie Craig from Minnesota, Don Davis from North Carolina, Ruben Gallego from Arizona, Jared Golden from Maine, Susie Lee from Nevada, Jared Moskowitz from Florida, Chris Pappas from New Hampshire, Marie Gluesenkamp Perez from Washington, Pat Ryan from New York, Mikie Sherrill from New Jersey and Abigail Spanberger from Virginia.

If you know them or if they're your Representative, tell them thank you.
