## **Be Thankful the Tide is Turning**

President John Adams once said, "Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other." On this Thanksgiving Day, I give thanks to the Lord that his righteous people are rising up against the lies and actions of those who have done so much harm.

They're rising up against schools of indoctrination, the imposition of face masks, the lies about the Covid-shot, and the government ban on life-saving drugs that led to so many unnecessary deaths.

The nation has suffered a great loss at the hand of tyrants. Let us give thanks for every American who calls for accountability and refuses the cry for unaccountable amnesty. "Be thankful with your whole heart and recount all his wondrous deeds." The tide is turning.

Psalm 86:12
