

# STOPPING SINGLE-PAYER

*Lessons from Canada*

Let's celebrate CCHF's amazing successes in Minnesota and nationwide!

**GUEST SPEAKER:**  
**Richard K. Baker**

Come learn valuable lessons from Canada's failed single-payer system and the patients who must escape to health freedom in America to receive timely medical care. Join us on this special evening as CCHF raises critical funds to stop socialized medicine, including Medicare for All.

Richard K. Baker is helping Canadians escape single-payer rationing. In 2003, he founded *Timely Medical Alternatives* in Vancouver, Canada, to help patients on long waiting lists receive surgery in the United States. Thousands of Canadians have received urgently-needed surgery and lives have been saved. His interviews on the dangers of socialized medicine include *FOX & Friends*, *FOX Business News*, *ABC's 20/20*, and *The Wall Street Journal*.
