Pharmacies Join THE WEDGE

The Wedge of Health Freedom is an online directory of cash-based practices. There are family doctors, surgeons, specialists, telehealth providers, urgent care, and dentists. Four pharmacies have joined the Wedge. They accept only cash, check or charge. This is the wave of the future, with lower drug prices because there's true competition and no big corporations.

Three of the four pharmacies only dispense to people in their state. So DO NOT, I repeat, DO NOT contact them unless you live in their state.

The three pharmacies are Freedom Pharmacy in Ohio, Moses Lake Professional Pharmacy in Washington state, ScriptCo Pharmacy in Texas. The fourth, Seven Cells Telehealth & Pharmacy, provides medication nationwide including ivermectin. You CAN contact them—from anywhere. Go to jointhewedge.com.
