Join Us Sept. 15 to Hear General Flynn

General Michael T. Flynn is coming to the Twin Cities as our keynote speaker on Thursday, September 15th. Join us in Oakdale, Minnesota as we raise funds to protect patient and doctor freedom – and to keep this program on the air!

There are only three more weeks to register, so make plans now to join us for a fantastic evening together.

General Flynn has been working to support free-markets in medicine. He's been leading the Health and Freedom conferences, now called the ReAwaken America Tour. Come on Thursday, September 15 to hear from General Flynn and support our organization and this radio minute program that keeps you informed on key health freedom issues. For details, and to register or sponsor a table, go to cchfreedom.org. That's cchfreedom.org.
