CCHF Offers Three COVID-19 Resources

Find a pen. Do you want to avoid vaccine mandates? Our office has heard from people in the military, health care workers, employees, and students. To help, we’ve developed three online resources. Find them all at PatientToolbox.org. PatientToolbox.org. Once you’re there, just click on “Coronavirus.”

Or go direct to each page.

CovidLegal.org has legal resources and tools of persuasion. CovidLegal.org. For information on the vaccine and adverse reactions, which could be useful in crafting a medical exemption, go to RealRisks.org. That’s realrisks.org. Finally, if you want prophylactic treatment or want medication on hand if you get the virus, go to EarlyTreatmentOptions.org. That’s EarlyTreatmentOptions.org.
