The Dangerous Truth About Electronic Health Records

My book has won its fourth award. The book is titled, "Big Brother in the Exam Room, the Dangerous Truth About Electronic Health Records." I hope you'll buy a copy. Find it at BigBrotherintheExamRoom.com.

I've also read the judge's reviews from a contest that led to no awards. One of the judges said he knocked me down in points because he thought the book was one-sided. Indeed. I have a position. He just didn't like it. But another judge gave it a 10 in every category and still another judge said it was "something every single person who has insurance or receives medical care in the U.S. should read." Please do.

Find it at www.BigBrotherintheExamRoom.com

Presented daily by Twila Brase, President, Citizens' Council for Health Freedom.

*The Health Freedom Minute is now heard in 47 states:
Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH,
afternoons on American Family Radio, and daily on the CSN network
and Bott Radio Network.*
