Find a Wedge Practice Close to You

There are nearly 350 practices in 47 states on The Wedge of Health Freedom at JointheWedge.com. A woman in Georgia is encouraged by the growing network of doctors. She told us she's interested in joining this counter movement of cash payments that keeps the "mission of medicine" alive rather than "feeding" the growing "big business/big government medicine industry."

A few of our latest Wedge practices are Advantage Direct Care from Jesup, Georgia; Mperial Health in Edina, Minnesota; Integrative Therapeutics in Tampa, Florida; Easy Orthopedics in Colorado Springs, and New Perspective Family Medicine in Glendale, Arizona. Find a practice close to you at JointheWedge.com

Presented daily by Twila Brase, President, Citizens' Council for Health Freedom.
