## **CCHF DINNER: Stop Single Payer! Come Sept 19!**

Do you want socialized medicine? Liberals want to impose it nationwide, but we, the Citizens' Council for Health Freedom, are dedicated to stopping it. To raise funds to support our mission of freedom for patients and doctors, and our efforts to stop Medicare for All, we're holding our annual dinner on Thursday, September 19 in Minneapolis. Early registration ends this Friday!

Our special keynote speaker is Richard Baker, founder of Timely Medical Alternatives. He helps Canadians escape their Medicare for All waiting lines and come to the U.S. for timely care. Join us on Thursday, September 19 to raise funds to help us stop single-payer socialized medicine in America. Register today at [cchfreedom.org](http://cchfreedom.org).
