Health Freedom Minute

August 30, 2019

TODAY: Last Day for Early Registration—Sept 19 Dinner

Liberals want to impose a single-payer system of socialized medicine in America. And we, the Citizens' Council for Health Freedom, are dedicated to stopping it. To raise funds to support our mission of freedom for patients and doctors, and our efforts to stop Medicare for All, we're holding our annual dinner on Thursday, September 19 in Minneapolis. Early registration ends today!

Our dinner is called: Stopping Single-Payer: Lessons from Canada. Our speaker, Richard Baker, founder of Timely Medical Alternatives, helps Canadians escape their Medicare for All waiting lines and come to the U.S. Join us on Thursday, September 19 to help us stop single-payer. Register today at cchfreedom.org.
