Health Freedom Minute

September 5, 2019

Are You Coming on September 19?

Are you coming? Join us on Thursday, September 19 in Minneapolis as we raise funds to stop socialized medicine and support health freedom! Last year our attendees came from as far away as Texas and Washington. Plan to join us just two weeks from tonight. It will be a great evening and I'd like to meet you in person!

Our event is called "Stopping Single-Payer: Lessons from Canada." Richard Baker, the founder of Timely Medical Alternatives, will share stories of helping Canadians escape their Medicare for All system and come to the U.S for care. Join us on Thursday, September 19 to help us raise funds we'll use to stop single-payer. Register today at cchfreedom.org. That's cchfreedom.org.
