Health Freedom Minute

September 9, 2019

TEN DAYS: CCHF Annual Fundraising Dinner, Sept 19!

Do you want socialized medicine? Liberals want to impose it nationwide, but we, the Citizens' Council for Health Freedom, are dedicated to stopping it. To raise funds to support our mission of freedom for patients and doctors, and our efforts to stop Medicare for All, we're holding our annual dinner in 10 days, on Thursday, September 19 in Minneapolis. Registration ends this Sunday!

Our special keynote speaker is Richard Baker, founder of Timely Medical Alternatives. He helps Canadians escape their Medicare for All waiting lines and come to the U.S. for timely care. Join us on Thursday, September 19 to raise funds to help us stop single-payer socialized medicine in America. Register by Sunday at cchfreedom.org.
