DEBATE TIME: Single-Payer Sleight of Hand

Democratic candidates for President take the stage tonight. Some want single-payer fast, like Bernie Sanders. Others want it slow like Kamala Harris. Joe Biden wants to disguise it as a “public option.” This is single-payer sleight of hand. It’s all socialized medicine. It’s all government control. It’s un-American, very expensive, and painful for patients.

A week from tonight, our annual dinner will focus on raising funds to Stop Single-Payer. Our keynote speaker’s business helps Canadians escape the pain, disability and sometimes certain death of single-payer. Join us on Thursday, September 19 to raise funds to help our organization stop single-payer in America. The deadline is THIS Sunday. Go to cchfreedom.org. That’s CCHFREEDOM.ORG
