UnitedHealth Profits — Drop AARP — Join AMAC

The nation’s largest healthcare company posted a $5 billion profit for the last quarter. UnitedHealth Group’s profitability comes from Obamacare which gave health plans the entire coverage industry. It also comes from Congress, which is pushing senior citizens into Medicare Advantage, the HMO version of Medicare.

Revenue from UnitedHealth’s Medicare Advantage plans grew by $1.2 billion. AARP, which supported Obamacare, lets UnitedHealth sell its plans under the AARP brand. This is a marketing coup for UnitedHealth and a profitable venture for AARP. Support freedom. Drop AARP and join AMAC, the Association of Mature American Citizens. Find it at AMAC.us. That’s AMAC.us.
