2016 Has Arrived

Happy New Year! 2016 is here. It seems we’ve been waiting for this year ever since President Obama unveiled his destructive plans for our nation, starting with the economic stimulus bill, followed by Obamacare, and continuing on through unconstitutional regulations, executive orders, and rogue agreements that bypass Congress.

It’s definitely time for a new president. A president that understands the purpose of the presidency: to preserve, protect, and defend the U.S. Constitution, to be an example of high integrity and moral leadership, to be a check and balance against Congress and to be the nation’s Commander and Chief. The next election on November 8th can’t come soon enough.

The Health Freedom Minute is now heard in 41 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
