Send Us Data-Collection Forms

We need your help for a special project. Please send us copies of the forms you get at the doctor’s office or the hospital, including consent forms and questionnaires you’re asked to fill out. Just ask for your own copy. Also, send your company’s employee wellness questionnaires. Or if someone comes to your door for a new child home visit or a Medicare wellness check, don’t let them in, take their data-collection forms, and send them to us.

Send the forms with or without your personal information. We’ll redact it all before we use it. You can mail, email or fax the forms. We need lots of these data-collection tools for our project. Find our contact information at cchfreedom.org. That’s cchfreedom.org.
