Will Congress Try to Save the ACA?

Democrats are in control of the U.S. House. What will this mean for the Affordable Care Act? Will Congress save it from the judge who ruled it invalid? I doubt it. There are 235 Democrats and only 199 Republicans in the House, but there are 53 Republicans and only 45 Democrats in the Senate.

And although the Republicans refused to bring a bill to repeal the entire Affordable Care Act when they were fully in charge, I doubt they'll let a Democrat bill pass in the Senate to save Obamacare. Republicans lost because they didn't offer a better vision for health care. Publicly adopting the Democrat's vision could be the end of them.
