How Did It Go? Let Us Know

Thank you for calling Congress yesterday. Would you take a moment to tell us what happened? The Health Freedom Minutes are always found on our home page. Below the microphone graphic is a gray and green “Give Feedback” button. Just go to cchfreedom.org (cchfreedom.org), click that button and tell us what happened.

Did you speak to a real person? Did you leave a voice mail? Did you hear any interesting comments from staff? Yesterday’s call was our first nationwide shot across the bow. If you didn’t call and still want to, just call today. Thank you for joining us to call for real repeal of Obamacare without delay. There’s much more to do and it requires you. So please stay tuned as the battle over Obamacare begins in earnest.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 47 states:
Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH,
afternoons on American Family Radio, and daily on the CSN network and Bott Radio Network.
