Pelosi Propaganda

House Minority Leader Nancy Pelosi said recently the Democrats had three goals with Obamacare: to lower costs, improve benefits, and increase access. She said, “In all three of those arenas, the Affordable Care Act has been a big success.” This is Pelosi propaganda.

Costs have skyrocketed except for those with taxpayer subsidies. Access is often limited to one hospital and no coverage outside your network even if you’re on vacation. And high deductibles mean most people pay for those benefits in cash.

Seven years ago, Pelosi slipped and told the truth: “We have to pass the bill so you can find out what’s in it.” Now that we know, let’s repeal Obamacare and ignore the propaganda.
