**Pick Up the Phone**

Happily, President Obama is no longer in charge. But you can’t lose track of what’s happening in Washington, D.C. The Obamacare battle will be to the finish. The Left, funded by billionaires and taxpayers – all those groups with government grants -- are coming out in droves to stop the repeal of Obamacare.

Your Representatives and Senators in Congress need to hear from you. Put their numbers in your calendar, set alerts and make the calls. The GOP budget resolution gives January 27 as a target date to have a budget reconciliation bill written with the Obamacare repeal in it. Republicans want the repeal on Trump’s desk on February 20. If you want repeal, pick up the phone.
