Find a Doctor You Love

It’s Valentine’s Day and Wedge of Freedom Wednesday. So, let me invite you to build a relationship—with your doctor. In most clinics today, that’s difficult. Sometimes you can’t even see your own doctor.

To find that relationship, go to JointheWedge.com. If we don’t yet have a clinic listed near you, google direct pay, self pay, or direct primary care. And at your appointment invite the clinic to Join the Wedge so we can help other patients find it.

Build a relationship now with a doctor who will spend time with you and your family and be there when you need someone in your corner -- whether you’re sick at the home, in the hospital or out-of-state. Go to JointheWedge.com

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 47 states:
Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the CSN network and Bott Radio Network.
