 Deadline TODAY Comment on Restoring Affordable Coverage Option

Today is the last day to speak up and say “yes” to the Trump administration’s proposed rule to restore an affordable health insurance option.

The proposal is called **Short-Term, Limited-Duration Insurance**. The Obama administration shortened these policies to just 3 months to force people into the expensive exchanges, but the Trump administration wants to expand them to 12 months or longer.

Go to cchfreedom.org and follow our instructions to comment. Do it before 5:00 p.m. EASTERN time today. That’s cchfreedom.org
