Four New Exemptions to Obamacare Penalty-Tax

The Obamacare penalty remains in effect until 2019. But take heart. There are nine main exemptions and the Trump administration added four new hardship exemptions. That makes 18 exemptions to the penalty for being uninsured.

The four new ones are for people who live where there are no Obamacare plans or where there is only one insurer selling Obamacare plans—or for people who can’t find an affordable Obamacare plan that doesn’t cover abortion. There’s also an exemption if you experience “personal circumstances” that make it difficult to get Obamacare. There’s no reason to pay the tax. Find an exemption.
