Nine Days Until Big Brother in the Exam Room is Released

In just nine days, my book *Big Brother in the Exam Room: The Dangerous Truth about Electronic Health Records* will be released on Amazon. You can find it by going to www.bigbrotherintheexamroom.com. If you want to be notified that day, go there now and ask for notification.

My intended audience is you. I need you to understand why the electronic health record was imposed by both Republicans and Democrats and to see the dangers to patient safety, physician sanity, personalized care, medical ethics, professional integrity and our constitutional Republic. In just nine days, on July 11 (7/11) you can order it online. Go to: BigBrotherintheExamRoom.com
