**Obamacare Coercion - Cuomo-Style**

New York Governor Andrew Cuomo has issued regulations that ban any insurers that leave New York’s Obamacare exchange from participating in the state’s lucrative Medicaid program. Health plans are losing money on Obamacare but Cuomo is willing to wager they’ll want to stay in the Medicaid program. He’s also forcing them to cover Obamacare’s 10 essential health benefits, even if Congress gives state legislators flexibility to cut those benefits.

Governor Cuomo took the oath of office on December 31, 2010. That oath of office includes a statement affirming that he would support the Constitution of the United States. Maybe he never read it. There’s nothing constitutional about tyranny or coerced servitude.
