**Declare Your Refusal to Enroll**

We have a new way for you to stand up and say no to Obamacare. It’s our Exchange Opt Out Declaration.

When you sign the declaration, it’ll provide us and you with a dynamic visual – a 50-state bar graph which will demonstrate state-by-state resistance. It will showcase the nation's resistance to Obamacare in a new way. We’ll share it with the media, lawmakers and others. Our aim is use it to educate the public on why they must refuse to enroll in the Exchanges and to give the public a concrete way to say no. Sign our declaration at ExchangeOptOut.org That’s ExchangeOptOut.org
