**Are You Coming?**

On Thursday, October 22, just one week from today, we’re hosting an event to raise funds for this program, for our legislative efforts, and for keeping you informed and engaged. We connect the dots, let you know what’s happening, and work to protect your personal control and health choices by protecting your privacy rights.

We provide tips and action items you can use to secure a future of freedom for you and your children, and we’re working to repeal Obamacare and build a new innovative plan for health freedom. Would you go to cchfreedom.org and send us a donation today? We’re raising needed funds and we need your support. Please donate today at cchfreedom.org.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 41 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
