**Sebellius Makes Fun of ACA Opponents with Straight Face**

When Jon Stewart asked HHS Secretary Kathleen Sebellius why Obama didn’t put in a single-payer system, Sebellius made fun of the law’s opponents. With a straight face she said, “As you know we’re facing the end of western civilization by having a market based solution. We are bringing western civilization to its knees by selling private insurance plans on a website where people pick and choose.” Endquote. That’s a lie of course. Obamacare is socialism to the core.
