Second C in 4C Solution

The second “C” of our “4C” solution for health care is Catastrophic Coverage. This is real insurance, not third party financing for every little medical expense. It’s inexpensive, has a really high deductible and is there for disasters only. It’s insurance that you buy and never think about or use until you develop cancer, have a major accident or get in a coma.

It does not get used for routine and minor expenses. Its only purpose is to insure against a medical condition that threatens your financial security. And you should own it, not your employer. Otherwise, when you get hurt and can’t work, you’ll lose it. I’ll discuss our third “C” tomorrow.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 37 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
