It's Perfectly Legal to Refuse

An Illinois supporter of Citizens’ Council for Health Freedom paid to put our “Refuse to Enroll” flier in her local newspaper. That made someone angry enough that they called us and claimed we are encouraging people to disobey the law.

If you’ve not heard me say it before, let me say it again. There are three ways to follow the Obamacare law. First, you can choose to be covered, either with private insurance, Obamacare or any other government program. Second, you can go without coverage and owe the “uninsured tax.” Third, you can claim one of the nine exemptions and be exempt from either the mandate to purchase or from the uninsured tax. Either way, you can lawfully refuse to enroll in Obama’s exchanges.

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

The Health Freedom Minute is now heard in 37 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the Bott Radio Network.
