**Give to the Max No Later Than Nov 17**

What kind of future are we leaving the next generation? Will they grow up only reading stories about what it used to be like when the government did not control our lives and our speech and our choices. Our organization, Citizens’ Council for Health Freedom, fights every day for your freedom.

We use this Health Freedom Minute to change hearts and inform minds. Some people set their alarm to hear it every morning. Well, good news! Two weeks from today, it’s Give to the Max Day and your donations to us will be matched! You can schedule your gift today at cchfreedom.org. If you like what you hear, please donate today. Go to cchfreedom.org and Give to the Max. Thank you! CCHFREEDOM.ORG

Presented daily by Twila Brase, President, Citizens’ Council for Health Freedom.

*The Health Freedom Minute is now heard in 47 states: Mornings M-Th at AM1280 (The Patriot) in MN and 91.5 AM WHKC (FreedomFM) in OH, afternoons on American Family Radio, and daily on the CSN network and Bott Radio Network.*
