See Actual Discounted Bills at Christian Healthcare Ministries

Today I’m discussing a third health-sharing group called Christian Healthcare Ministries. To find their stories, go to chministries.org, choose a testimonial category: illness, maternity or pre-existing conditions. Then listed under each name is the total amount of eligible bills, the provider discounts and the total amount shared by members.

For example, in the pre-existing condition category, a couple from Oregon lists $97,000 in eligible bills, $58,000 in provider discounts and the remaining $39,000 paid by health sharing members. The couple reports *all* medical bills have been paid. Take a look. It’s fun to see how high some of the discounts are!
